

**GIVE THANKS
AND DANCE !**

JOIN US FOR WASSA DANCE & VILLAGE VOLUNTEERS' 12TH ANNUAL THANKS-GIVING DANCE BY DONATION!

**Featuring some of Seattle's finest percussionists &
Lara of WASSA DANCE who will lead us in joyful
African inspired movement!**

This year we will dance to set up a goat dairy project with the Lenana Girls School in Kiminini, Kenya to produce goat dairy products and train students and future farmers in achieving livelihoods in sustainable agriculture. Our goal is to fund 8 goats (6 female and 2 male) and a shelter. The first offspring goats will be given to women farmers who will in turn do the same as this project develops and continues. We invite you to also keep it local by contributing a portion of your donation to Village Volunteers, who keeps all of these programs going throughout the year. You can designate the amount to each on the memo line of your check or a note with cash donations.

We are very grateful for your support!
